

5 Violinists

5 violinists were playing a tune,
Making lovely music on a sunny afternoon,
All of a sudden there was a ping, zing POP!

And one violinist had to STOP!

4 violinists were playing a tune.....

3 violinists were playing a tune.... etc

No violinists could play a happy tune,
There wasn't any music on this sunny afternoon,
So they all got together and they went to the shop,
And they played all day oh, they never stopped!
