

7 Bright Stars

Tune: Shortnin' Bread

1 bright star sparkling high,
Peeking through the clouds in the big black sky,
Winter's coming closer, What can I see?

2 bright stars shining on me.

2 bright stars... 3 bright stars... 4 bright stars...

5 bright stars... 6 bright stars...

6 bright stars sparkling high,
Peeking through the clouds in the big black sky,
Winter's coming closer, What can I see?

7 bright stars it's Matariki.
